

### **4-1.3 DECISION NO. D-18**

#### **DIRECT DIGITAL CONTROL (DDC) SYSTEM**

##### **Issue:**

Guidelines are needed for selecting building automation systems for all new Indian Health Service health care facilities and for existing facilities modified by renovation.

##### **Decision:**

The Health Facilities Advisory Committee reviewed the draft Indian Health Service Technical Handbook chapter, "Building Automation Systems" and approved it for inclusion in the Technical Handbook, following editorial revision.

##### **Reference:**

Copies of the draft chapter can be obtained from the Office of Environmental Health and Engineering, Division of Facilities Planning and Construction. This document will be issued as Chapter 21-5.5, "Building Automation Systems," Part 21, Volume III, of the Technical Handbook for Environmental Health and Engineering.

Adopted by HFAC on November 1, 1995.

Gary K. Radtke, P.E.  
Chairman, HFAC
